### **APPENDIX ONE – REPORT FROM COUNTY COUNCILLOR IAN GARDENER**

Perry Parish Council Meeting – February 24

The Cambridgeshire County Show will be held on the 1<sup>st</sup> June 24 at the Abbots Ripton Estate, PE28 2PH between 10am and 4pm. Additional information can be obtained by emailing [cambscountyshow@outlook.com](mailto:cambscountyshow@outlook.com)

The Combined authority (Mayor) is proposing a £24.00 per annum increase on its proportion of the Council Tax, ie raising it from £12 to £36 per annum, this increase is to improve Bus services across the County. It looks as if the Ting service will become a rural service, which will mean you can still get to St Neots or Huntingdon, but it will not pick up in St Neots unless you are returning to the Rural area.

The Crime and Police Commissioner is proposing a £12.96 per annum raise in its proportion of the Council Tax. Therefore, a Band D property would go up from £272.52 to £285.48

The County Council is proposing a 4.99% increase in Council tax for 24/25 with a total of 2% of this dedicated to Adult Social Care Services. The Conservative Budget amendment would have seen a 22 million pound investment into Highways. This was rejected by the Joint Administration of Lib Dem/Labour/Independent Councillors. They did however agree to increase members allowances at a time when residents are being confronted with higher costs.

The Supermarket voucher scheme will operate in the coming Half Term Holiday for all eligible families in Cambridgeshire. The County Council is continuing to run the scheme in the February Half Term using the Household Support Fund from the Governments Work & Pensions Department, along with additional funding from the County Council.

Eligible Families will automatically receive a £15 voucher via email or text on Saturday 17<sup>th</sup> February, at a choice of 11 supermarkets , which must be claimed by 15 March

The County Council has reviewed its policy on not removing weeds from our streets, due to the large number of complaints from Parish Councils, councillors and residents. As a result, the policy will be reversed in the new County Council budget from the new financial year.

The County Council have reopened applications for 20mph zones. Parishes need to apply by 5pm on Friday 15<sup>th</sup> March.

The Fire Authority are proposing the closure of 3 On Call Fire Stations one of which is Kimbolton, the other two being Manea & Sutton. As a result, a meeting is to be held at the Mandeville Hall in Kimbolton on 19<sup>th</sup> March at 7.00pm, to which all Parish Councils are invited to attend and give their views on the proposals.

At this meeting Fire Officers will be in attendance.

The Fire Authority proposal is to redistribute the Fire Authorities Operational resources from three low risk areas, ie fewer calls. By doing this the FA would have two additional wholetime fire engines available in the daytime and at weekends.

Across Cambridgeshire & Peterborough, 23 out of 26 fire stations have a fire engine crewed by on call firefighters. Guaranteeing these fire engines are available is becoming more challenging in the daytime and at weekends, despite continual on call firefighter recruit campaigns.

The FA has its current fire stations in locations that matched the County's risk profile decades ago. As society changes and population grows, that risk changes with time and to be able to deliver the best service, with the resources the FA have, the FA must assess where best to locate those resources to meet our changing demands.

As Ely and St Neots both have a second fire engine, when the second fire engine crewed by on call firefighters is available the FA would be able to use the two new wholetime crews at weekends more flexibly. Meaning the crew could roam further afield providing better cover across the whole county, where on call fire engines are not available and carry out crucial community safety and fire protection activities with residents and businesses.

This proposal will mean that the fire station at Kimbolton would no longer be required.

Cllr Ian Gardener

County Councillor for Alconbury & Kimbolton Division
